7. Pending Business

The Borough Representative requested that we look at the meeting schedule for the HARB meetings as there will now be only one Council / Zoning meeting a month. This is in an effort to reduce expenditures. The board agreed to a proposed meeting night of the 1st Monday of the month starting October 2011 pending approval & proper notice. Council Meetings are to be the 2nd Tuesday of the month and change will have the added advantage of shortening the lead time to the Zoning hearing board.

8. Adjournment

A motion for adjournment was made by J. Ichter and seconded by Ms. Dugan.
