WHAT IS THE ZONING HEARING BOARD (ZHB)?:

The Zoning Hearing Board (ZHB) is a body of 5 residents appointed by Borough Council that hears requests for variances, special exceptions and appeals.

JURISDICTION:

The ZHB shall have exclusive jurisdiction to hear and render decisions in the following matters:

- Applications for *variances* from the terms of the zoning ordinance.
- Applications for *special exceptions* under the zoning ordinance.
- *Substantive challenges* to the validity of any land use ordinance, except those brought before the governing body having to do with curative amendments.

 - the determination by a municipal engineer or the zoning officer with reference to the administration of any flood plain or flood hazard ordinance or such provisions within a land use ordinance.
 - the determination of any officer or agency charged with the administration of any transfers of development rights or performance density provisions of the zoning ordinance.

WHAT IS A VARIANCE?:

Area and Design - A variance is zoning relief which permits minor changes of district area and design regulations where individual properties are both harshly and uniquely burdened by the strict application of the zoning law. The ability to obtain a variance is restricted and the degree of variation is limited to the minimum change necessary to afford relief, representing the least modification possible to the regulation at issue. . Use variations are specifically prohibited. A variance is a modification of the requirements of a zoning district and does not include the substitution of uses assigned to other districts.

No variation may be granted which would adversely affect surrounding property or the general neighborhood. All variations must be in harmony with the intent and purposes of the zoning ordinance.

WHAT IS A SPECIAL EXCEPTION?:

Use –Certain uses may or may not be appropriate at every location within a specific district and, should the ZHB determine that a use permitted by special exception fails to comply with all of the definitional aspects thereof or would be contrary to the public health, safety, morals and/or welfare of the community at specific locations within a district, that the use would not be permitted there.

CONDITIONS:

In granting any variance or special exception, the ZHB may attach such reasonable conditions and safeguards as it may deem necessary to implement the purposes of the Zoning Ordinance and the Pennsylvania Municipalities Planning Code (MPC).

RELIEF EXPIRATION:

Variances and special exceptions shall be valid and remain in effect for a term of one year from the date of said approval and shall thereafter expire and be void unless said construction, modification, new or revised lot lines or dimensional standards or change of use or occupancy be initiated within said one-year term or said term is expressly extended as part of the initial approval or a further extension of the term being granted by the ZHB prior to the expiration of the one year period.
