Join me for a very gentle stretch and flow leading to restorative postures (resting with bolsters/blocks/blankets). I will then turn it over to Herky to: Relax, Unwind, and De-stress. This class will help you unwind from stress & to-dos, and safely embrace the range of human emotions we experience without judgment. We'll begin with a few minutes of wisdom teaching, and then close our eyes for 20 minutes of guided meditation. Slowly, we will enter a state of relaxation & calm that will help us cope with challenges, and live with presence.
